

# Accessibility Statement Vitalaire Poland

The text following this paragraph is to be transcribed entirely on the https://pl.vitalaire.com/ website, in a page dedicated to accessibility.

For example:

https://pl.vitalaire.com/Dostępność/

1 Passage du génie
75012 Paris
01 43 05 66 41

# Accessibility statement

Air Liquide undertakes to make its website accessible in accordance with Article 47 of Law No. 2005-102 of February 11, 2005.

To this end, it shall implement the strategy and actions detailed in its multi-year plan which is currently being drawn up.

This declaration of accessibility applies to Vitalaire Poland Website.

## COMPLIANCE STATUS

The Vitalaire Poland site is non-compliant with WCAG 2.2 Double-A (AA) level due to the non-conformities and deviations listed below.

## TEST RESULTS

The compliance audit carried out by Ipedis reveals that the compliance rate is 47,62%:

- 20 compliant criteria
- 22 non-compliant criteria
- 13 non-applicable criteria

# NON-ACCESSIBLE CONTENT

The contents listed below are not accessible for the following reasons.

## Non-compliance

Several elements of non-compliance are described in this document, some of which are recurrent on several pages:

- Images or graphical elements do not have meaningful text alternatives.
- Decorative images or icons are not ignored by assistive technologies.
- Videos are not captioned for deaf or hard-of-hearing users.
- Videos do not provide audio description or an alternative to describe visual elements.
- Structure (headings, lists, tables) is not correctly conveyed to assistive technologies.
- Reading order for some content is not logical.
- Input fields do not clearly indicate their purpose.
- Information is conveyed only through color.
- Text/background contrast is insufficient for comfortable reading.
- Text is displayed as an image instead of real text.
- Content does not adapt properly in responsive or zoom modes.
- Icons and graphical components do not have sufficient contrast.
- Some components are not reachable or operable via keyboard interface.
- Pages do not have clear and descriptive titles.
- Keyboard focus does not follow a logical order.
- Links are not explicit enough and do not clearly indicate their destination.
- Keyboard focus is not visible on screen.
- The main language of the document is not indicated.
- Language changes in the text are not identified.
- Form fields do not have explicit labels or instructions.
- No assistance is provided to correct errors.
- Interactive components do not correctly expose their name, role, or state to assistive technologies.
- Status messages are not announced or detected by assistive technologies.

## Derogations for disproportionate burden

No derogation identified.

## Content not subject to the obligation of accessibility

No content subject identified
